“START TODAY!” MARATHON · SERENITY MOON

Before the marathon starts

A short guide: how to sign in, build your habit list and enjoy all 21 days.

1 Sign in to your account

- Open **platform.serenitymoonevents.com/eng** — your account opens on **November 1**.
- Tap **“Sign up”** and enter the email you used to pay. Confirm your email with the link in the message.
- This link opens the account in **English**. You can switch to Russian any time in **“Profile”** → **Русский**.
- Add the account to your phone’s home screen like an app: **iPhone** — Safari → “Share” → “Add to Home Screen”; **Android** — Chrome → ⋮ → “Add to Home screen”.

2 Build your habit list — before November 9

- Open the **“Today”** tab and tap **“Edit”**.
- Choose **1 to 5 habits** from the library: Body, Nutrition, Care & beauty, Calm, Growth, Loved ones, Home & order, Less of the harmful. The **“i”** icon next to a habit explains how to do it and why it works.
- **Tap a habit** to make it yours: which days of the week, how many minutes it takes and, if you like, an amount (glasses of water, steps, km).
- Can’t find the habit you want? Tap **“+ add your own habit”**.
- At the bottom you’ll see how many minutes a day your whole list takes. Make sure it feels realistic and tap **“Save”**.

> Less, but every day. 5–20 minutes per habit is enough to feel the change.

3 Every day

- On the **“Today”** tab, check off the habits you’ve done and tap **“Close the day”** in the evening.
- Missed a day? That’s okay — nothing resets, just keep going.
- The **“Progress”** tab shows your 21-day path, a star for each week and your diamonds.

4 Diamonds and gifts

- **+1 diamond** for each day when all your habits are done.
- **+3 diamonds** for the code word Mila says during a mastermind.
- Collect **21–27 diamonds** and you enter the gift draw.

5 Materials, meetings and community

- **“Materials”** — practices, recordings and useful files. Materials with a lock open later: tap them to see the date. The heart ♡ saves a material to “Favorites”.
- **“Schedule”** — dates and times of the Zoom meetings.
- News and support are in the **Telegram channel and chat** (“Channel” and “Chat” buttons on the “Today” tab).

The marathon starts on **November 9**. You don’t have to be perfect — what matters is being consistent.
We’re here if you have any questions ♡
